Traffic Advisory

Lane Closures at Truxtun Avenue and Mohawk Street

Security Paving Company, the contractor for the Mohawk Street Extension project, plans to work on a waterline connection at Truxtun Avenue and Mohawk Street on Monday, February 1, 2010. The work will require lane closures of the Number 2 (outside) westbound traffic lane on Truxtun Avenue and the northbound Number 2 (outside) left turn lane on Mohawk Street. The lane closures will be in effect from 8:30 a.m. to 4 p.m.

Motorists should remain alert to changing traffic conditions and watch for construction equipment and personnel while traveling through the area.
